YOU

can make a difference

Create Your Legacy of Support for National Christ Child Society

Include NCCS in Your Estate Plan

You believe in our mission to serve children in need of resources and your support has already made a difference. Including a bequest to National Christ Child Society (NCCS) in your will or trust will enable you to help tomorrow's children, without affecting your current cash flow or assets. Your gift to NCCS will help us change lives, one child at a time, well beyond your lifetime.

What Your Gift to NCCS Can Do:

- Help our local chapters increase their impact and meet changing needs in their communities
- Grow our footprint by establishing and nurturing new chapters
- Facilitate a "Get to Know Us" effort to build our chapter volunteer base
- Build strong leaders for the future of the organization
- Qualify you for membership in the National Christ Child Legacy Society, giving you access to NCCS publications and recognition
- Help NCCS meet future needs as our changing world requires
